

Fees and Charges

2026

All services are offered subject to the terms of the SEQual Buyer Agreement or Supplier Agreement, as appropriate.

Please refer to the SEQual website for more information:

www.sequal.co.uk

All prices are shown exclusive of VAT, which will be charged at the prevailing rate.

Supplier Registration and Assessment

Registration and Desktop Assessment of Suppliers

Level	No. of UNSPSC Product Codes	Annual Supplier Subscription (excl. VAT)
Level 1	1 – 5	£570
Level 2	6 – 10	£680
Level 3	11 – 15	£835
Level 4	16 – 25	£1010
Level 5	26 – 50	£1,285
Level 6	≥ 51	£1,475
Essential Assessment	Unlimited EA codes	£195

The list of UN Standardised Product and Service Codes (UNSPSC) in use within SEQual is available from the SEQual website as part of the registration process.

On-Site Assessment

The costs of performance of on-site assessments (an audit-style process involving two or three days spent with the assessor on-site) are covered by the SEQual scheme itself.

The following cost is payable by all Suppliers as part of the assessment process:

Type of Fee	Price (excl. VAT)
On-site Assessment Arrangement Fee (for Basic or Advanced assessments, valid for two years)	£510 fixed fee

The following costs may also be payable by Suppliers in exceptional circumstances:

Type of Fee	Price (excl. VAT)
Additional Assessment Where a Supplier has added additional codes that require a new on-site assessment.	£1050 per day plus expenses
Re-Assessment Where the assessment identifies significant non-conformances requiring a subsequent assessment to verify close out of corrective actions.	£1050 per day plus expenses
Late Cancellation Charge Where a Supplier cancels or reschedules an assessment within 6 weeks of the assessment date, the full cost of the assessment is charged.	£3,150 for Basic assessments
	£4,200 for Advanced assessments

Buyer Registration

New buyers are welcome to join the SEQual scheme.

Please contact Scheme.Manager@sequal.co.uk for more information on how to join, and the associated costs and benefits.

The SEQual service is operated by Leading Oil & Gas Industry Competitiveness (LOGIC) on a not-for-profit basis.
